Tangible page template

8.75 x 11.25 in with bleed. Trimmed, it's a US Letter page: 8.5 x 11 in.

- Pink edge: bleed. Run backgrounds and photos out to here. It gets cut off.
- Solid line: trim. This is where the page is cut.
- Dashed line: safe area. Keep text and faces inside it.

Each PDF page prints as one magazine page.
For a spread, design two of these pages and export them as two PDF pages.
Send 1 to 4 pages in one PDF, up to 100 MB. Photos look best at 300 PPI.

Delete this text and the guides before you export.
